## **Kycon adds IP67 Vertical option to their USB Type C line**

Morgan Hill, CA – *Kycon, Inc.* announces the expansion of its IP67 USB product line with the addition of a vertical mount, low-profile USB Type-C connector. This new 6-pin, power-only version offers greater design flexibility for applications requiring durable, space-saving solutions.

Designed for harsh environments, the IP67 rating ensures protection against dust and water ingress. The new connector comes in tape and reel packaging with a pickup cap, and includes a gasket for added sealing integrity. It is reflow solder compatible and meets RoHS and REACH compliance standards.

### **Key Specifications:**

- USB Type C – Power only
- IP67 Ready
- Vertical Mount
- Low Profile 6.85mm tall
- Tape and Reel packaging
- RoHS and REACH compliant

### **Applications:**

- Consumer Electronics – Laptops, Phones, Tablets
- Industrial
- Ingress Protection rated for protection against water, dust and debris – IP67
- Power Delivery and Charging

### **Part Numbers:**

KUSBV67X-TH-CS-6-BTR IP67 USB TYPE C RECEPTACLE VERTICAL TH 6 PIN BLK INCLUDES O-RING RoHS
